# SERVICES PROVIDED

You will be allocated a Logistics Event Manager who will help with the planning of your event to make sure your day runs smoothly without any hitches. The primary role of the Event Manager is to plan and manage the event logistics, however they can also advise on suppliers and additional services if required.

## **Your Event Manager will:**

- Produce floor plans, event schedule and delivery schedule for the day
- Manage all communication with the venue manager in the lead up to and on the event day
- Arrange layout of furniture ahead of the event and manage all furniture requirements on the event day
- Make sure all suppliers are adhering to venue regulations and health & safety requirements
- Act as venue point of contact for both client and suppliers on the event day
- Arrange stewards to meet guests and assist with way-finding around the venue
- Manage logistics on the event day
- Manage breakdown of suppliers
- Arrange car park attendant to manage car parking
- Make sure the venue is kept clean through out the event and post event
